

August Rules

2 Man Scramble

Each team member will tee off on each hole. Select the best shot. Mark that spot. That will be the location of your next shot. Continue this process until the ball is holed. Repeat on every hole. Payouts in each flight for gross and net. Team games will have half the amount of flights as an individual game.

- Shots must be played within 6 inches from the ball selected, no nearer to the hole.
- Shots must be played from the same conditions (i.e. a ball in the rough must be played from the rough).

Individual Gross/Net

Individual stroke play. Each player will play their own ball throughout the hole. Please mark down gross scores only on the scorecard. Two signatures and the tees played by all players must be on scorecard in order to be scored. Payouts in each flight for gross and net.

Chicago (Net)

Each player will play their own ball throughout the hole. Please mark down gross scores only on the scorecard. Flights will be determined by participation. 9 Hole Chicago quota is 20. Payouts in each flight.

16 – Double Eagle
8 – Eagle
4 – Birdie
2 – Par
1 – Bogey
0 – Double or Worse.

2 Man Best Ball

Each player will play their **own ball** throughout the hole. Please mark down gross scores only on the scorecard. Team scores will be determined by the best score of the two players from each hole, gross and net. Please finish out both balls, because net scores could end up coming into play. Two signatures and the tees played by all players must be on scorecard in order to be scored. Payouts in each flight for gross and net. Team games will have half the amount of flights as an individual game.
